DD/S APR 5 1955

MEMORANDUM FOR:  Deputy Director (Support)

THROUGH        :  Acting Director of Logistics

SUBJECT        :  Property Survey Report 00712

1. ████████████████████████████ in the dispatch listed    25X1A6a
below, forwarded subject Report of Survey with recommendation for    25X1A
approval.  In accordance with Section 4b of ████████████████
a Board of Survey established by the Senior Representative considered
this report and recommended approval.

2. At the meeting of the Headquarters Board of Survey
24 February 1955, this report was reviewed and the following action
recommended:
                                                              25X1A

00712 - Dispatch No. ████████

          This case concerns the loss of one pneumatic rubber
landing boat, one outboard motor, and an outboard fuel tank
valued at $1,365.80, which occurred on 14 October 1953.  Permis-
████████████████████████████████████████████
25X1A6a
party was engaged in fishing the boat was noticed adrift.  Due
to high winds and tide, recovery was not possible.  The loss was
described as an unfortunate occurrence and not due to deliberate
negligence on the part of any individual.  In view of the circum-
stances, it is not deemed feasible to hold anyone pecuniarily
liable and the Board recommends that all concerned be relieved
of accountability and responsibility.
                                                              25X1A

3. In accordance with Section 4d(2)(c) of Regulation ████████,
the attached Survey Report is forwarded to the Deputy Director
(Support) through the Acting Director of Logistics and it is the
unanimous recommendation of the Board, as indicated by signatures
below, that the Survey Report be approved.

                                        /s/

                                  ████████████    25X1A9a
                                      Chairman
                              Headquarters Board of Survey
